

5340 IP PHONE ENTERPRISE CLASS

Demonstrating Mitel's continued focus on the user, the Mitel 5340 IP Phone delivers easy-to-use, one-touch access to many phone features and applications in an exciting next generation desktop device.

A full-feature enterprise-class telephone, the 5340 IP Phone provides a large backlit graphics display with 48 programmable self-labeling keys, six intuitive call state sensitive softkeys, superior sound quality with wideband audio, and a built-in HTML toolkit for desktop applications development.

The 5340 IP Phone is ideal for any enterprise executive or manager, Hot Desk users, Teleworkers, and Contact Center agents and supervisors.
